About us

WILL TEC GENERAL TRADING CO. W.L.L was established in 2018. At Will Tec, we are dedicated to providing high-quality products and exceptional service to meet all your industrial and commercial needs. As a leading supplier in the market, we specialize in the distribution of personal protective equipment, electrical plumbing supplies, cleaning products, hand tools, power tools, and industrial equipment.

Our goal is to ensure the safety and efficiency of your workplace by offering a comprehensive range of personal protective equipment and accessories. From safety helmets, gloves, and goggles to high visibility clothing and respiratory protection, we have you covered. We understand the importance of protecting your workforce, and our knowledgeable team is always ready to assist you in finding the right solutions to meet your specific requirements.

In addition to our focus on safety, we also offer a wide range of electrical plumbing supplies. Whether it's wiring accessories, cables, switches, or plumbing fixtures, we stock premium products from trusted brands to ensure durability and reliability in all your electrical and plumbing projects.

When it comes to cleaning, we understand the importance of maintaining a clean and hygienic environment. That's why we offer a comprehensive range of cleaning products, including detergents, disinfectants, mops, and janitorial supplies. Our cleaning solutions are designed to meet the highest standards of cleanliness and sanitation, helping you create a safe and healthy space for your employees and customers.

At Will Tec, we also cater to your tool needs. From hand tools to power tools and industrial equipment, we provide a wide selection of reliable and efficient tools to support your construction, maintenance, and repair projects. Our inventory includes everything from wrenches, hammers, and screwdrivers to drills, saws, and air compressors.

What sets us apart is our commitment to customer satisfaction. We strive to exceed your expectations by offering top-notch products, competitive pricing, and personalized service. Our team of experienced professionals is always at your disposal, ready to assist you in finding the right products, answer your questions, and ensure a smooth purchasing experience.

Thank you for choosing Will Tec General Trading Company. We look forward to being your trusted partner in meeting all your industrial and commercial supply needs.
